YES

DON'T KIT-NAP!

A kitten's best chance of
survival is with mom. **Leave
the kittens where they are.**

If you want to help, make sure
mom has access to shelter,
food, and water and contact a
TNR group to have mom and
kittens fixed when ready.

NO

ARE YOU SURE?

Mom may be off hunting or not
want to come around if people
are present. Watch for her to
come back for a few hours.

PRO TIP: Leave a ring of flour
around the kittens. Check in a
few hours if you see mom's
foot prints in the flour!
